1 ROD BRAKES

I freni a bacchetta restituiscono alla "Città" il suo carattere vintage ed elegante per non passare inosservato.

Rod brakes return to the "City" its vintage and elegant character to be fashion in the city.

2 MUDGARDS & CHAINCOVER

I parafanghi sono accuratamente rifiniti e si intonano con il resto della bici, come il copri-catena, con particolari in color oro.

The mudguards are carefully designed and they match the rest of the bike, like the cover-chain, with gold color details.

3 DINAMO LIGHTS

La luce a dinamo richiama lo stile vintage della bicicletta ed assicura un fascio di luce senza il consumo di batterie.

Dynamo light recalls the vintage style of the bicycle and ensures a beam of light without any battery consumption.
